International premium-rate telephone numbers

International premium-rate telephone numbers are numbers in countries outside of Switzerland that provide certain services and for which prices are higher than for normal international calls. Please be aware that the cost for these calls can be expensive. Below you can find a table with the prefixes of the numbers available for international premium-rate calls as well as their respective cost per minute.

Calls to International premium-rate numbers are not covered by any Rateplan (yallo PostPaid, yallo Flat, yallo Europe, yallo Balkan). Calls while Roaming to International premium-rate numbers are not billed with this rates but with a per minute price likely higher than normal roaming charges. Pricing depends on the roaming partner and not all prefixes might be available.
